

MUGHNI

RESEARCH / PRODUCT / CREATIVE

Keio University SFC · MEXT Scholar · Japan

PROFILE

MEXT Scholar at Keio University SFC working across education policy, learning science, digital products, and creative production. Builds projects that turn research into usable systems - from language-learning platforms and bilateral learning programs to web products, publications, and visual production.

SELECTED EXPERIENCE

Avenua

Current

Founder / Research & Product Lead

- Building a language teaching and learning platform as a research intervention rather than a conventional LMS or social network.
- Combines cultural artifacts, community learning, and participatory teaching design; developed the MVP, product structure, and pilot direction.
- Works across research framing, product strategy, content architecture, web implementation, and learning design.

Eastward

Current

Founder / Producer

- Producing bilateral research and learning programs connecting Japanese and Indonesian participants through practical, project-based outputs.
- Designed Mind & Matrix, a 10-week cohort, with supporting digital systems, reports/briefs, archives, and participant project outputs.
- Leads editorial, production, partnership development, and digital project planning.

Jonathan Trace Seminar, Keio SFC

Current

Seminar Assistant / Research Facilitation

- Support research discussion, feedback, facilitation, and learning design within a university seminar environment.

NOIR / NACHT

Current

Creative Director / Producer

- Developing a creative production practice centered on monochrome visual direction, form, light, texture, and commissioned photo/video work.
- Plans creator collaboration across models, dancers, stylists, photographers, restaurants, apparel brands, artists, and private clients.

Proximent Solutions

2026 - Present

Sales Associate

- Handle outbound prospecting, CRM workflows, qualification, and client/partner outreach across international markets.

Eigoya / Wonderkids

Current

English & Learning Support Instructor

- Teach and support learners from early childhood through adolescence, adapting instruction to learner needs and context.

EDUCATION

Keio University, Shonan Fujisawa Campus (SFC)

Faculty of Policy Management | MEXT Scholar
